Careful consideration should be given to course selections. You must consult the HTHS 2023-2024 Curriculum Guide (posted online on HTHS website) to review prerequisites for each course and to plan your student's schedule in accordance with graduation requirements for their respective class.

The diploma type toward which the student is working should be considered, as well as academic record.

We understand the high school requirements, and by signing this form agree that this form will serve as a parent consent to override the recommended course prerequisites if these have not been met. We also agree that we are aware of course selection deadlines and procedures for making changes to our requests.

Any student not returning a course selection worksheet signed by a parent/guardian and student by the stated deadline above may forfeit their right to choose his or her classes for the 2023-2024 academic year

PARENT OVERRIDE INTO ADVANCE COURSE

I request that my child _____, be placed in _____

I understand that previous test scores and academic performance indicate that he/she may not be successful in this course. I also understand that placement in this course will determine future course placements for my child and that his/her grade may not be as high as in the teacher recommended course. If my child encounters academic difficulty, I understand the course standards will not be altered/modified to ensure student success. I also understand that I may not request at a later date my child be allowed to withdraw from the course.

PARENT OVERRIDE INTO GENERAL COURSE

I request that my child _____, take _____

I understand that by electing to take a less advanced course than the one recommended that my child may not be as prepared for college as he/she could be.
